Buying a Foreclosure: Is the Stigma Gone?

"Once considered damaged goods, fit for only the bravest investors, foreclosures have not only lost their stigma, they've become hot properties," according to a recent article in The Christian Science Monitor. Now, many real estate agents even...Read more

Home values rise for first time in 5 years

🗷 Jul - 20 I 🕮 admin I 🖳 News

NEW YORK (CNNMoney) - Home prices hit a bottom and are finally bouncing back, according to an industry report released Tuesday. Nationwide, home values rose 0.2% year-over-year to a median \$149,300 during the second quarter, the first annual increase...Read more
